1

00:02 --> 00:08

We're back with Super Monday
5, 2022 with Frontwave Credit Union.

2

00:08 --> 00:14

Super Monday is the most exciting day
of the work year. It's something that

3

00:14 --> 00:16

we as the executive team really look forward to.

4

00:16 --> 00:21

I describe Super Monday as an opportunity
to come back and be with family.

5

00:21 --> 00:26

We have people all over Southern California and we

6

00:26 --> 00:29

wanted them to have an opportunity
to spend an entire day together.

7

00:29 --> 00:36

Get all 14 branches and headquarters
together and 265 Dream Makers all at

8

00:36 --> 00:40

one location, and it's super fun
to share that inspiring vision.

9

00:40 --> 00:45

I will describe Super Monday as
the place to come in and refresh.

10

00:46 --> 00:53

Today we had great speakers. We had Dr. Bryan K Williams talk to us about
climbing mountains.

11

00:53 --> 00:58

We had our president and CEO Bill Birnie
talk to us about our year in review and

12

00:58 --> 01:03

our upcoming strategic vision. And we had a great keynote with Kevin Brown,

13

01:03 --> 01:08

who talked to us about the hero effect and how we can be heroes in everyday life.

14

01:08 --> 01:13

Jennifer Topzand, our Vice President of Marketing gave us an update of what we've

15

01:13 --> 01:18

been doing with our Goodie2Crew giving back to the communities that we serve.

16

01:18 --> 01:23

We also had Amber Gabrenas, who told us how much we had raised in our charity donation today.

17

01:24 --> 01:30

You could feel the energy in this room. It was palpable, it was exciting and it

18

01:30 --> 01:34

was really really important for us to finally get all these people together

19

01:34 --> 01:37

in one place and get to spend time together.

20

01:37 --> 01:41

Our staff were invigorated, motivated and inspired today.

21

01:41 --> 01:45

I had several of them tell me how great the day was.

22

01:45 --> 01:50

I would tell anyone who is thinking of applying for a role at Frontwave

23

01:50 --> 01:57

if you're ready to join a team of innovative thinkers, do it. You won't regret it.

24

01:57 --> 02:01

If you want to have a place where
you get the support you need and

25

02:01 --> 02:06

a place that you want to grow and
to feel important and feel loved

26

02:06 --> 02:09

Frontwave is definitely a place
to get started and build your career.

27

02:09 --> 02:16

We love people that are passionate, that are innovative, that are just
looking to

28

02:16 --> 02:21

make a meaningful difference in their lives and the
lives of others. So we encourage you to apply.

29

02:21 --> 02:26

It's a great place to work, a great place to
learn, and a great place to build your career.
